

Speirs and Major Associates
Lighting Architects

Adrien Flouraud Dip (Hons)
Senior Designer

Adrien has over 10 years experience in lighting design since graduating from University Institutes for Technology of Paris, where he developed an interest in the process of through mock-ups and focussing sessions.

Adrien was previously employed with MC2 and Yves Chambaret where he worked on projects such as; Baccarat – Museum & Headquarter in Paris, Museo del Oro at Bogota, Colombia and Hôtel Plaza Athénée Paris.

In February 2009 Adrien joined Speirs and Major Associates, during which time he has worked on projects including Turin Office Tower, The Pinnacle London, Peacock Art's Centre, Aberdeen, and AXA Tower, Paris. He has particular skills working on the development of special products and solutions for retail, museum, exterior spaces, theatre, exhibition, and other interiors.

Adrien loves to travel and enjoys hiking, windsurfing and snowboarding.
