

Speirs and Major Associates
Lighting Architects

Clementine Rodgers BA Arch.(Hons)
Project Lighting Designer

Clementine studied Architecture at the University of Newcastle upon Tyne having had an interest in many forms of creative design from a very early age.

She joined Speirs and Major Associates as an Assistant Lighting Designer and was made a Project Designer in 2006.

Clementine has a particular experience working with exterior lighting for landscapes and masterplan, some of which include: the Durham Light and Darkness Strategy, BBC Scotland Headquarters Pacific Quay, Old Market Square in Nottingham and Peninsula Square in Greenwich.

Clementine is also a keen artist and enjoys jewellery silversmithing.
