

**Jessica Zanotto Architectural Degree (Italy)**  
**Assistant Lighting Designer**

Jessica studied Architecture and Lighting Design at the University of Venice achieving a First Class Honours degree and an Italian Lighting Designer Master (1 Livello).

Jessica has worked previously in both London and Italy, with architects and lighting designers, where she has designed both products and lighting designs for restaurants, fashion events and Public realm projects. She has also spent time training in Paris with Light Architecture, where she assisted on part of a city Masterplan.

Jessica has attended the AIDI conference and a number of ELDA workshops.

She joined Speirs and Major in 2007 where she is working on a wide range of projects including Devonshire Square.

She is keen on all aspects of creative design and enjoys photography.
