# SPEIRS MAJOR

Situated in Mayfair and overlooking Green Park, Hide is a sanctuary from the bustle of the city - refined, relaxed, and homely. Light supports a natural environment across the three floors of the restaurant, enhancing the materials of the rustic interior and enlivening the space with warmth, texture and sparkle.

# SPEIRS MAJOR

Each of the different dining experiences available on the three levels of Hide has a tailored lit approach, with adjustments to light levels and contrast that suit the mood of each space.

# SPEIRS MAJOR

Hide also features three playfully styled private dining rooms. In the Reading Room and the Broken Room, we created a gentle fade of focus that gradually shifts the emphasis to reveal a selection of unique features over the course of a meal. In the Shadow Room we included miniature image projectors to create shadow projections of fantasy figures behind diners, creating a delightful sense of theatre that underpins the fanciful nature of the private dining rooms.
