SPEIRS MAJOR

Light helps to connect Rathbone Square seamlessly into the quiet streets of Fitzrovia. Balancing light levels and qualities of light from the surrounding areas allows for an effortless transition into the garden.

SPEIRS MAJOR

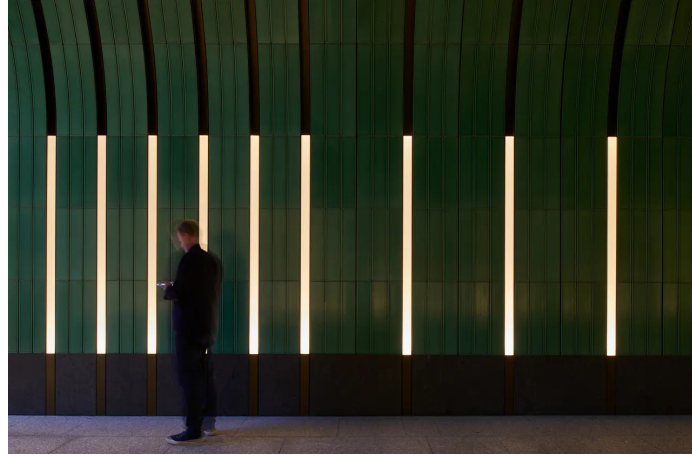

Balancing light levels and qualities of light from the surrounding areas allows for an effortless transition into the garden.

SPEIRS MAJOR

Elsewhere interior light from restaurants residential apartments and offices create a harmonious and practical composition of light.

The garden is both a destination and passageway.

Intuitive wayfinding is provided along the passageways with feature elements integrated into the ceramic tunnels.
